# THE VIENNESE DANUBE TOWER

The Danube Tower, Austria's tallest landmark and a technical masterpiece, provides the perfect setting for visits by kindergarden and school groups. An express lift whisks you into another world: at heights of 150 to 170 meters, the entire city of Vienna lies at your feet. Enjoy an unforgettable 360-degree panoramic view – no matter the weather. The unique view and special atmosphere make the Danube Tower an impressive destination that combines knowledge, fun, and unforgettable experiences.

### Important Information for Schools and Kindergartens

We are delighted to welcome your school or kindergarten to our venue! However, we kindly ask for your understanding that brought snacks cannot be consumed in our premises during your visit.

If consumption in our Turm Café or Donaubräu is not possible with the packages we offer, we are happy to provide you with the option to enjoy your brought snacks on the ground floor near our souvenir shop. Please contact our on-site staff for assistance.

We kindly ask for your understanding that we can only provide a limited number of seating options.

Thank you for your understanding.

# IMPORTANT INFORMATION

## Official regulations at the Danube Tower

Please note that these regulations are provisions from the notice on the operating facility permit and therefore unfortunately no exceptions can be made. The regulations serve to protect all visitors, especially in case of fire or disaster.

### Wheelchair user

In the high-speed elevators, only one person in a wheelchair per car may be transported to exit point I (observation deck). Each wheelchair user must be accompanied by a person who can transport the wheelchair user if necessary. A maximum of 3 wheelchair users may be present in the tower on the observation terrace at the same time. The stairs to the catering areas and the stairs to the indoor terrace cannot be used with wheelchairs. Therefore, it is unfortunately not possible to visit these areas with a wheelchair. If you are able to walk short distances, our staff at the cash desk will be happy to show you the parking area provided for wheelchairs in the entrance area. The newly designed areas on the first floor - the Donaubrau of the store - can of course be used barrier-free.

### Events on the indoor terrace

The indoor terrace must be accessible at all times and can therefore only be visually closed off, as it is part of the escape route and evacuation zone in case of fire or emergency (tower restaurant, tower café, central floor). The use of liquid gas and open flames (e.g. candlelight, spray candles, etc.) is strictly prohibited throughout the tower head. All furniture and decorative items must comply with flammability class B1 in accordance with ÖNORM B 3800/I and may only be used if they can be shown to comply with at least this flammability class.

### Strollers

Strollers may not be transported in the express elevators, therefore they cannot be taken to the observation terrace, the tower café or the tower restaurant. Our staff at the ticket office will be happy to show you a place where you can leave your stroller. Taking a Maxi-Cosi with you is a good alternative.

### Smoke-free at the Danube Tower

Smoking is officially prohibited throughout the tower.

### Dog Owner

Bringing dogs up the Danube Tower is not permitted by the authorities. Please leave your dog in suitable care on the ground. Taking guide dogs and assistance dogs is permitted.

### Open fire and candles

For fire prevention reasons, open fires and candles are prohibited without exception on the entire Danube Tower.

## We thank you for your understanding for these security measures!
